

Reach Out is our Hockomock Area YMCA's annual campaign that ensures we continue to address diverse, emerging, and critical human needs across the 15 communities we serve. In 2021, \$2,189,621 dollars were given out in scholarships and program subsidies. In addition to helping families with paying for memberships, camps, programs and more the Y has continued to serve our friends and neighbors challenged with food security and we have given out over 400,000 meals and more than 50,000 bags of groceries since the beginning of the pandemic.

Each year the Hockomock Area YMCA encourages Y members, volunteers, neighbors, partners, collaborators, vendors and friends in the community to join us in raising funds to provide confidential scholarship assistance and program subsidies for those facing challenges in their lives. There are many ways that you can get involved and make a difference.

- \$2500 – Sponsors a child for a full summer of camp at one of our 3 branches, so they can have the best summer ever!
- \$1000 – Provides a one adult family with membership for one year.
- \$500 – Supports one participant through Weigh to Change program, which focuses on a healthy diet and exercise.
- \$250 – Funds a youth membership for one full year allowing them to learn, grow, and thrive within the Y.
- \$100 – Allows the opportunity for 3 nutrition coaching sessions for an individual.
- \$50 – Provides a child with one month of youth programming like swim, gymnastics, sports, or enrichment
